

How to create Quizlet account:

Step 1: <http://quizlet.com/>

On upper right hand corner of screen click **Sign Up**

Step 2: Follow instructions to create a new account. Each child will need their own Quizlet account – with a unique Username. Remember to write down your Username and password.

Step 3: Please check your email account for a Quizlet verification email. Follow instructions on email to activate account.

Step 4: Quizlet.com is a free service.

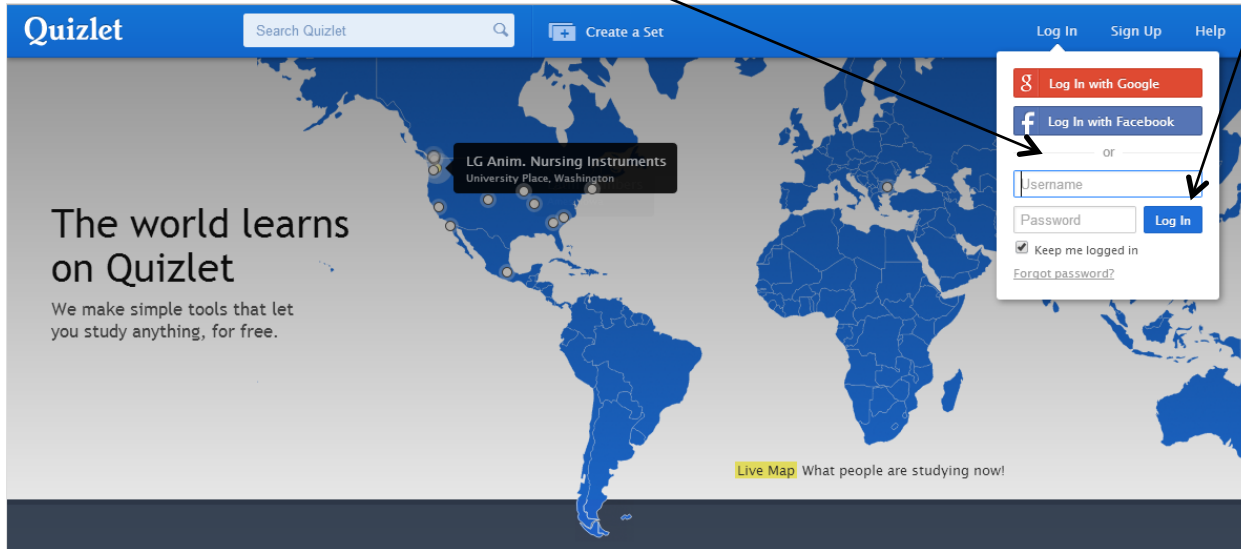

Step 5: **Give your Quizlet Username to your Newton Cantonese School (NCS) teacher!**

How to use my Quizlet account:

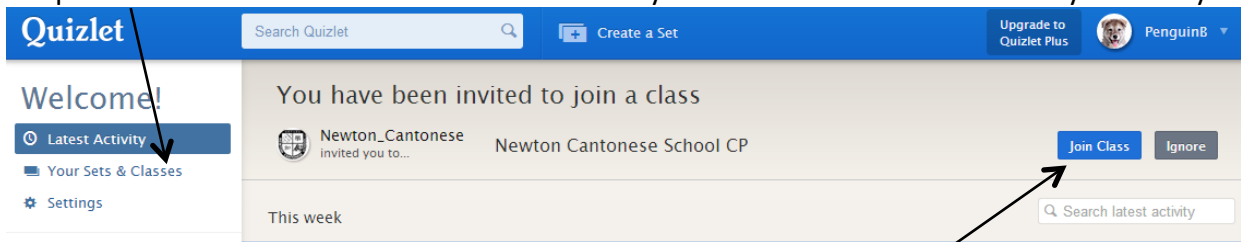

Once NCS has received your child's Quizlet Username , NCS will send you an invite from Quizlet for your child's class.

Step 1: <http://quizlet.com/>

On upper right hand corner of screen click **Log In** and enter your Username and password. Click on **Login Button**.

Step 2: Below is the default screen Latest Activity screen - this screen will show you all of your recent activity.

Step 3: You have been invited to join a class click on the **Join Class** button

Step 4: Once you click on the Join Class button, NCS Quizlet Administrator will be notified by email. At which point the NCS Administrator will need to accept your request to join the class.

You may have to wait a day or two depending on time schedule of the administrator. Once the NCS Administrator has accepted you into the class, you will receive an email notification and click on join class link: Greetings,

A Quizlet user by the name of Newton_Cantonese has invited you to join the Newton Cantonese School CP class on Quizlet.
